Dear Valued Member

I am delighted to enclose your award certificate and plaque indicating the level you achieved on your GreenCheck assessment. We hope you display these proudly, to promote the sustainability of your business and to let your customers know about your achievements.

Your plaque is made of clear acrylic Perspex and has a protective film which needs to be removed. You should clean the plaque with a soft cloth. Please do not attempt to clean with any solvents. If you need any additional plaques, we can supply these for £18.00 including Post & Packaging.

If you have any queries, please feel free to email enquiries@green-tourism.com

Yours sincerely

Diane Knight
Client Services Director
Green Tourism
