

OUR STORY

Inspired by the nearby Slieve Bloom Mountains, Blooms at The Heritage is a celebration of locality, seasonality, and the landscapes that define Laois. Visible from The Heritage, the Slieve Bloom Mountains provide both the name and inspiration behind the bar.

The menu draws from the changing seasons, incorporating fresh botanicals, orchard fruits, herbs, florals, and locally inspired ingredients to create cocktails that reflect the character of the Irish countryside. Every serve is designed to evoke a sense of place, blending refined flavours with thoughtful storytelling and elegant presentation.

Distinctly Irish and uniquely Heritage, Blooms offers guests an experience that could only exist here - shaped by the mountains, the seasons, and the spirit of Laois.
