Make a grand entrance down our iconic staircase, a favourite for timeless wedding portraits, before exploring lakeside views, rolling golf course scenery, and picturesque pathways just moments from the hotel. ARRIVALS RECEPTION

The celebration begins the moment your first glass is raised, surrounded by the people who matter most.

Begin your celebration with a private drinks reception in our elegant Garden Room and adjoining terrace. Bathed in natural daylight, this beautiful space offers the perfect setting for guests to relax, mingle, and toast the happy couple. The secure outdoor terrace is a true suntrap, complete with stylish seating and shaded areas, allowing guests to enjoy the fresh air in complete comfort.

With a private bar and a seamless flow between the indoor lounge and outdoor terrace, everyone can stay together and enjoy the celebrations, whatever the weather. As conversations flow, our talented culinary team will serve a selection of beautifully crafted canapés and delicious treats that are guaranteed to leave a lasting impression long after your wedding day.

BANQUETING SUITE

Following your private drinks reception in our beautiful Garden Suite, you and your guests will make your way into our stunning Banqueting Suite — a space designed to impress.

With soaring ceilings, dazzling chandeliers, and elegant mirrored walls, the suite provides a breathtaking setting for your wedding celebration. Spacious and versatile, it offers the flexibility to bring your vision to life.

A private bar within the suite allows guests to relax without leaving the room, ensuring the celebration flows effortlessly throughout the day.

As dinner concludes, a hidden surprise awaits as the curtains open to reveal your band fully set up and ready to begin the evening celebrations — all without interrupting the atmosphere. It's one of the many thoughtful touches that keeps your day running seamlessly, allowing you to spend less time waiting and more time making unforgettable memories.
