OUR TEA SELECTION

Virunga Afternoon Tea

This is the finest black tea from Rwanda tea gardens. It gains exceptional brightness, yellow gold colour and distinctively refreshing flavour.

Earl Grey

The leaves, bud and tender stem are carefully pinched together in a perfect pick and subsequently blended with bergamot oil to give a distinctive flavour of citrus, with spicy floral notes.

Organic Redbush

This is a South African alternative to black tea. It has distinctive, natural and full-bodied flavour, providing you with notes of honey and vanilla.

Mao Feng Green

Its dark green leaves brighten when infused to produce a shimmering, clear, yellow colour with an initial smoothness, which evolves into the more complex, fragrant notes that characterise this famous green tea.

Lemongrass & Ginger

This warming herbal tea is made from pure lemongrass and spicy ginger. This uplifting infusion tastes zesty yet smooth, with citrus aroma.

Peppermint

Classic herbal tea made from only the finest pure leaves. Peppermint is acknowledged as an aid to digestion.

Chamomile

Whole dried chamomile flowers, a mild taste and pleasantly smooth and balanced finish. A traditional home remedy.

Redberry & Flower

It is a luxuriously smooth blend of sweet red berries and refreshing hibiscus. This intensive fruity combination perfectly balances the tart taste of blackcurrant, with real juicy strawberry pieces.

Darjeeling

A premium organic Himalayan Darjeeling black tea, delicately flavoured with tender herbs and light, refreshing notes. A truly exceptional tea!
